TRANSFER OF CRYOPRESERVED SPECIMENS TO ANOTHER FACILITY

ACKNOWLEDGMENT & RELEASE

THIS ACKNOWLEDGMENT & RELEASE, entered into this _____ day of _____, 20_____

By _____
& _____ ("Releasers"),
in favor of University OB/GYN Associates, P.S.C.

The Releasers request that University OB/GYN Associates, P.S.C.
transfer their cryopreserved _____ (Please Specify)
currently being stored in liquid nitrogen at the Fertility Center

to: _____

The Releasers expressly release University OB/GYN Associates, P.S.C. it's employees and agents, from any and all liability for all claims and demands Releasers now have or may thereafter have for injury or damage arising from the transfer of the cryopreserved specimen from University OB/GYN Associates, P.S.C. to the Releasers' care for purposes of transporting to another fertility program and/or improper thawing of this tissue.

IN WITNESS WHEREOF, the Releasers have executed this Consent & Release on the date, month and year first written above.
